

**Harrison High School Orchestra
2016-2017 Calendar
Acknowledgement Form**

I _____ (print student name) received an orchestra calendar for the 2016-2017 school year. I understand that I am responsible to attend every bold event on the orchestra calendar. I understand that work or homework is not an excuse to miss a required event since I know about them so far in advance. I also understand that if it is absolutely necessary that I miss one of those events that I must give written notice from a parent or guardian to Mrs. Baddock at least one week prior to the event. This written notice will enable me to complete a make-up assignment. If I am ill and cannot attend then I will turn in a written excuse from my parent or guardian after the event and I will make an effort to let Mrs. Baddock know before the event.
